## ABOUT US

VIP Pharmaceuticals Pvt. Ltd. is a WHO-GMP certified & leading pharmaceutical manufacturer in India, equipped with state-of-the-art facilities and compliant with cGMP and WHO-GMP standards.

Since our inception in 1991, with production facilities established in Baddi, Himachal Pradesh, since 2007, we have expanded our capabilities and today boast a robust portfolio of over 450 pharmaceutical products.

With a strong focus on Research & Development, Manufacturing, Marketing, and the Sale of Finished Formulations, VIP Pharmaceuticals serves clients globally and across India. Our dedication to quality and innovation has positioned us as a trusted name in the pharmaceutical industry.

We are also actively exploring opportunities as a prominent player in Contract Research and Manufacturing Services (CRAMS). Through CRAMS, we aim to provide high-quality yet affordable medicines that address a wide spectrum of unmet medical needs across various regions of the world.

## CERTIFICATIONS

## VISION

To lead in pharmaceutical excellence and to be recognized globally as a trusted, quality-driven pharmaceutical company that delivers exceptional value and patient satisfaction through innovation, integrity, and affordability.

With the ultimate goal of creating a disease-free world, we are driven by the unwavering belief that every patient deserves timely relief. Our commitment is to ensure that the utmost priority remains the well-being of the patient, through accessible, effective, and safe pharmaceutical solutions.

## MISSION

To set new standards in pharmaceutical manufacturing by delivering cost-effective, high-quality formulations driven by innovation and collaboration. We aim to expand globally through strategic partnerships in self-marketing, contract manufacturing and research, to advance in global healthcare outcomes.
